

SEASON 2

Hello Friends,

Cathie and I have some exciting news!! We have been in ministry since 1992 - that's 25 years! In order to celebrate this momentous milestone, to glorify God's faithfulness, and in obedience to what he is directing us to do now, we are planning to film OKTV Season 2 beginning in April 2017.

What we've been doing to prepare for this new chapter:

- * Since 2001 we have ministered over 40 weeks a year in more than 25 nations.
- * Produced Season 1 of OKTV in 2006, that was viewed all over the world through networks in Europe, America, Africa and Australasia.
- * Recorded more than twelve albums (since 2001).
- * In 2011 we built Overflow House on the Sunshine Coast, with the specific goal of making inspired television programs.
- * Assembled an excellent television production team
- * Build a strong home base with a vibrant church community at C3 Church Kawana Waters, Queensland Australia.

What we already have in place now:

- A good reputation as a voice to children and families in communities all over the world.
- We have networks including ACC, TBN, UCB and Shine TV, who are keen to air OKTV Season 2 when it is completed.
- In November 2016 we signed a MOU (Memorandum of Understanding) with a Bible Society Singapore (BSS) who have agreed to produce, distribute and market this and other Clancy programs, publications and recordings initially into 21 nations in the Australasia region. This includes China where there are over 70 million Christians. All our programs will be translated into Mandarin. Bible Society Australia now owns Koorong and they are closely affiliated with BSS. Bible Society also has closely linked affiliates world wide.
- Our vision is 'to be a voice to children and a voice for children', to reach 100 million children in our lifetime. Television is a key to making this vision a reality.

What we need to complete OKTV Season 2:

- Our budget is \$8K for each 28 minute episode; we are planning to do 13 episodes. That's \$104,000AUD for the full 13 half hour episodes OKTV Season 2, which will be aired all over the world.

We are strategically positioned to make a world wide impact. Will you join us?

I would love to chat more about this and answer any questions you may have.

All the best and thanks so much for your prayerful consideration of this project.

We are better together.
